

御阁门窗  
YUGEE DOOR & WINDOW

NEWEST TECHNOLOGY  
UP TO 13°C ISOLATION

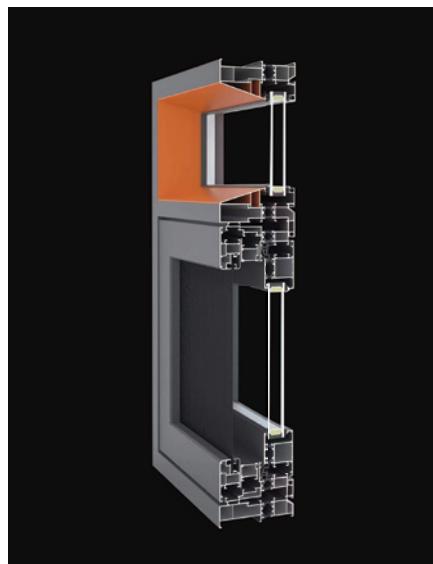

## CASEMENT WINDOWS ▶

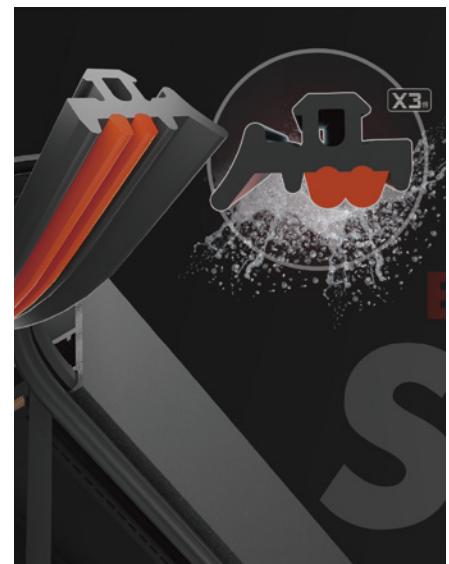

### 2.0mm Aerospace Grade Shapes

Cut by German CNC Machines  
0.1mm High Precision Machining  
Superior Hardness, Wear-resistance and  
Toughness  
10 Times of Service Life Longer than that of  
Ordinary Materials

### Scientific Design, Multi-cavity Structure

Efficient Sealing and Insulation  
Make Windows Stronger and More  
Durable

### Expanded EPDM Strip Is Equipped Outside

The strip itself expands 3 times the size when rainwater touches the inside of the strip.  
It makes the effect of waterproof better.  
Especially suitable for coastal and typhoon weather areas.
